DECISION ON ATTORNEY'S FEES AND COSTS¹

On June 23, 2022, David Meade filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleged that he suffered a Table injury – a shoulder injury related to vaccine administration - as a result of his receipt of an influenza vaccine on September 17, 2020. Petition at 1, ¶10. On August 29, 2024, I issued a decision awarding compensation to Petitioner based on the parties’ stipulation. ECF No. 36.

¹Because this Decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims’ website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2018).

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$32,466.11 (representing \$31,347.60 in fees plus \$1,118.51 in costs). Motion for Attorneys' Fees and Costs ("Motion") filed September 24, 2024, ECF No. 40. Furthermore, counsel for Petitioner represents that Petitioner incurred no personal out-of-pocket expenses. ECF No. 45.

Respondent reacted to the motion on October 8, 2024, stating that he is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case but deferring resolution of the amount to be awarded to my discretion. Response to Motion at 2-3, ECF No. 42. On October 8, 2024, Petitioner filed a reply requesting the attorney's fees and costs be awarded in full. ECF No. 43.

I have reviewed the billing records submitted with Petitioner's requests and find a minor reduction in the amount of fees to be awarded appropriate, for the reason listed below.

ANALYSIS

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Counsel must submit fee requests that include contemporaneous and specific billing records indicating the service performed, the number of hours expended on the service, and the name of the person performing the service. See *Savin v. Sec'y of Health & Human Servs.*, 85 Fed. Cl. 313, 316-18 (2008). Counsel should not include in their fee requests hours that are "excessive, redundant, or otherwise unnecessary." *Saxton v. Sec'y of Health & Human Servs.*, 3 F.3d 1517, 1521 (Fed. Cir. 1993) (quoting *Hensley v. Eckerhart*, 461 U.S. 424, 434 (1983)). It is "well within the special master's discretion to reduce the hours to a number that, in [her] experience and judgment, [is] reasonable for the work done." *Id.* at 1522. Furthermore, the special master may reduce a fee request *sua sponte*, apart from objections raised by respondent and without providing a petitioner notice and opportunity to respond. See *Sabella v. Sec'y of Health & Human Servs.*, 86 Fed. Cl. 201, 209 (2009). A special master need not engage in a line-by-line analysis of petitioner's fee application when reducing fees. *Broekelschen v. Sec'y of Health & Human Servs.*, 102 Fed. Cl. 719, 729 (2011).

The petitioner "bears the burden of establishing the hours expended, the rates charged, and the expenses incurred." *Wasson v. Sec'y of Health & Human Servs.*, 24 Cl. Ct. 482, 484 (1991). The Petitioner "should present adequate proof [of the attorney's fees and costs sought] at the time of the submission." *Wasson*, 24 Cl. Ct. at 484 n.1.

Petitioner's counsel "should make a good faith effort to exclude from a fee request hours that are excessive, redundant, or otherwise unnecessary, just as a lawyer in private practice ethically is obligated to exclude such hours from his fee submission." *Hensley*, 461 U.S. at 434.

ATTORNEY FEES

The hourly rates requested for attorney Mark Sadaka and his paralegals for time billed through 2023 are reasonable and consistent with our prior determinations and will therefore be adopted herein. However, the 2024 rate requested for Attorney Sadaka (\$563 per hour) requires adjustment. Attorney Sadaka was previously awarded the *lesser* rate of \$532 per hour for his time billed in that timeframe. See *Richardson v. Sec'y of Health & Hum. Servs.*, No. 21-1781V, 2024 WL 4814753 (Fed. Cl. Spec. Mstr. Oct. 10, 2024). I find no reason to deviate from such reasoned determination, and hereby reduce his rate accordingly, to be consistent with the aforementioned decision. **This results in a reduction of attorney's fees to be awarded of \$241.80.**³

ATTORNEY COSTS

Petitioner has otherwise provided supporting documentation for all claimed costs. ECF No. 40 - 2. Respondent offered no specific objection to the rates or amounts sought. I find the requested costs reasonable and hereby award them in full.

CONCLUSION

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT in part, Petitioner's Motion for attorney's fees and costs. **Petitioner is awarded attorneys' fees and costs in the total amount of \$32,224.31 (representing \$31,105.80 in fees plus \$1,118.51 in costs) to be paid through an ACH deposit to Petitioner's counsel's IOLTA account for prompt disbursement.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.⁴

³ This amount consists of ($\$563 - \$532 = \$31 \times 7.8 \text{ hrs} = \241.80).

⁴ Pursuant to Vaccine Rule 11(a), the parties may expedite entry of judgment by filing a joint notice renouncing their right to seek review.

IT IS SO ORDERED.
